**Poster Abstract Submission for EWOC 2021**
**Deadline to submit poster abstracts: May 28, 2021**

To submit an abstract for the EWOC 2021 poster session:

1) Please prepare your poster abstract using the template provided (see below, or download a Word version here). Your abstract must fit within 1 page.
    a. Presenter should include Last Name in upper left corner. You may enter self-chosen or preferred professional name used instead of a legal name.
    b. If there is only one institutional affiliation, you do not need to use the notes symbols ($^{\dagger}$, $^{\ddagger}$).
    c. You are welcome to include references in the footnotes.
    d. You are encouraged to include a representative scheme. Color may be included.
2) Save your abstract as a PDF. You must submit as a PDF instead of a word doc (or other).
3) We are using a web-based system (Box.com) for submitting and uploading abstracts. You must e-mail your abstract in PDF format to EWOC_Po.ajom71p82gmp3w6d@u.box.com **by May 28, 2021.** *If you experience a problem or receive an error message when submitting to the above site, you may email your abstract to Dr. Annaliese Franz akfranz@ucdavis.edu who will upload it for you.*
4) You will be notified by June 14, 2021 if your abstract has been accepted.
    a. You must be registered for EWOC 2021 to present your poster.
    b. If you have not registered by June 11, 2021, your poster abstract will be withdrawn.

If you have any questions, please email treasurer@ewochem.org.
Thank you for submitting an abstract! We look forward to learning about your research and meeting you!

***Notes about submitting/uploading abstract via web-based system:

• To submit your abstract, you will email your abstract as a file attachment in PDF format to EWOC_Po.ajom71p82gmp3w6d@u.box.com.

- *If you experience a problem or receive an error message when submitting to the above site, you may email your abstract to Dr. Annaliese Franz akfranz@ucdavis.edu who will upload it for you.*

• When you e-mail your abstract as file attachment in PDF format it will be automatically uploaded into a folder for the EWOC organizing committee to access. No one else will have access to this folder or content.

• The submission/upload via email will only upload file attachments. The content/text in the body of an email is not uploaded to Box.

• The cumulative size of the message body and attachments (including signature) cannot exceed 50MB.

• The sender will receive a notification that file was uploaded successfully.

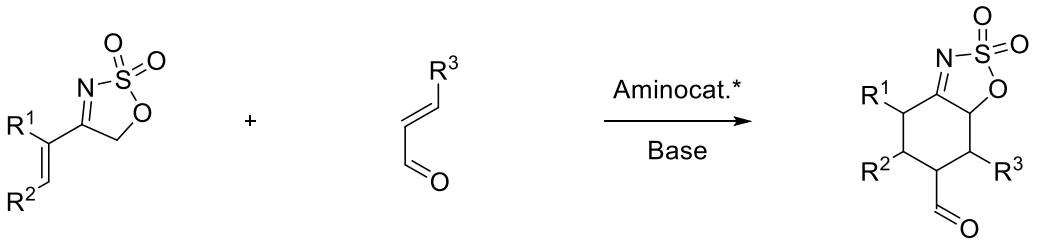

• The system provides automatic language in the email notification response (i.e. "Log in to your Box account to manage or add collaborators, or to share a link to this file with others."); Please disregard as this information does not apply for the abstract submission process.

[Abstract Text: Times New Roman 12, Justified alignment.] The Diels-Alder[1] reaction is a fundamental transformation in organic synthesis that has become one of the most powerful tools for the construction of polyfunctional 6-membered carbocycles and heterocycles. [...]

In this context, we describe herein an organocatalytic [4+2] cycloaddition between α,β-unsaturated sulfonyl imines and α,β-unsaturated aldehydes promoted by chiral amines as a catalyst under iminium ion activation (Scheme 1).[2] [...]
