

Instructions to Access Virtual Hub

Access to all virtual components is available on the Quest site:

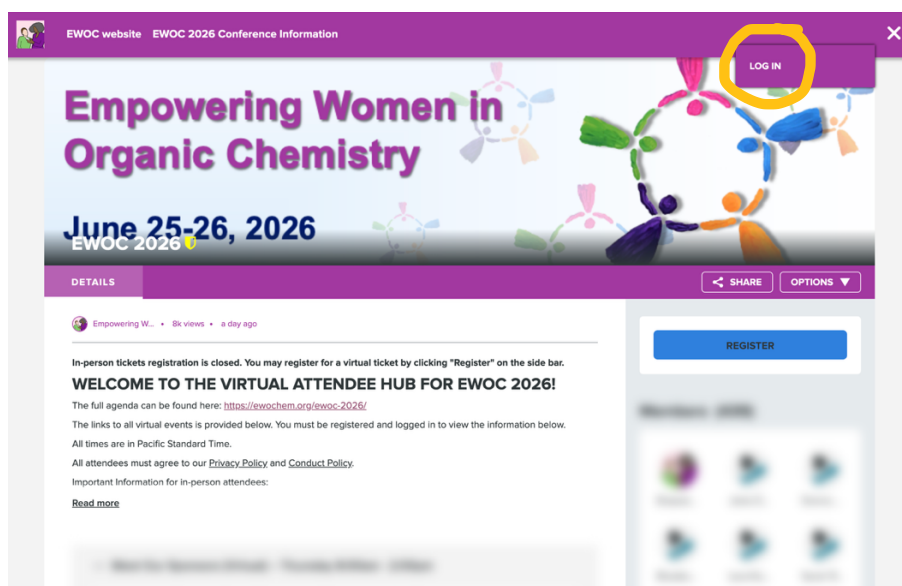

<https://quest.build/empowering-women-in-organic-chemistry/ewoc-2026/1518/70712/628>

You must be registered and logged in to the Quest site to get access to the virtual components. To log in, please see the instructions below:

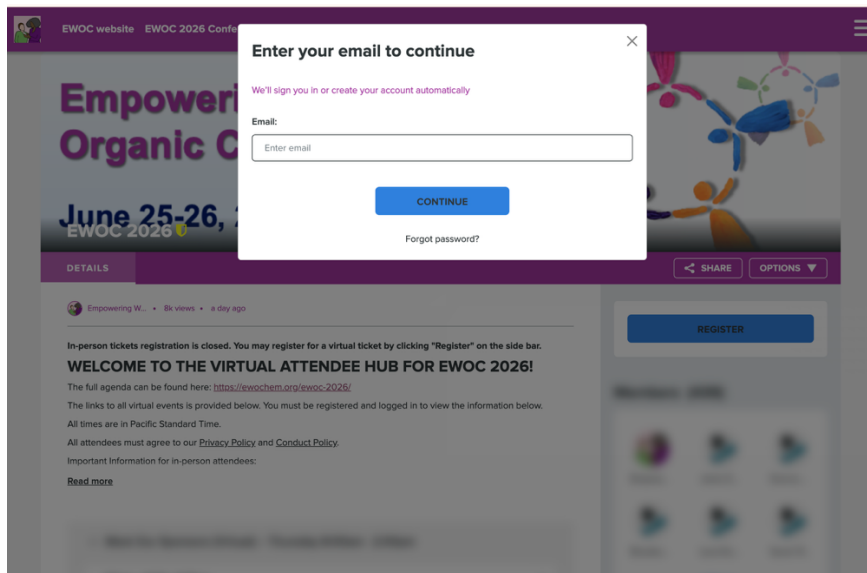

1. Navigate to <https://quest.build/empowering-women-in-organic-chemistry/ewoc-2026/1518/70712/628>. The links to the virtual components will be blurred out if you are not logged in.
2. To log in, click the three horizontal bars at the top right of the window.

3. Choose "log in"

4. A dialogue box will open. Please log in with the email you registered under. If you have not already set up your Quest account, you will also need to set your password.

5. If you are not immediately directed to the EWOC site, you can access it by selecting it from the Workspace menu.
